

**It is important you explore all your options available to you.** There are a larger number of sixth forms in Dorset, and therefore we are unable to include them all on this sheet. However sixth forms will also have open evenings where students and parents/carers can find out more about the courses/subjects on offer and the chance to speak to subject teachers. For your own school, you and your parents/carers will be informed as to when the open evening will be. If you are not sure when it is, do speak to your Form Tutor/Head of Year.

Sixth Form Open Evenings are usually held in the autumn and spring terms. You can also apply to other schools with sixth forms. If you are not able to attend their open evening, don't worry, contact the school and ask for a meeting with the Head of the Sixth Form. The dates and times of open evenings for School Sixth Forms will usually be advertised on their website.
